

New York State Qualified Production Facilities

NY City vs NY State Qualified Production Facilities

Within the five boroughs of NY City ONLY, Qualified Production Facilities (QPF) are divided into two types: Level 1 and Level 2 facilities.

OUTSIDE NY City, there is no distinction between facilities, all QPFs outside NY City can be used by either Level 1 or Level 2 productions.

A Level 2 production filming their stage work in NY City **MUST** use a Level 2 QPF to meet their facility threshold requirements.

A Level 1 production may use ANY QPF, either a Level 1 or Level 2 within NY City, or any QPF outside the City

Any production, whether Level 1 OR Level 2, shooting on a stage **OUTSIDE** NY City, can use ANY NY State QPF to fulfill its facility threshold requirements.

*For Instructions, forms and further information on the **New York State Film Production Credit** program go to <http://www.nylovesfilm.com/tax/> or call (212) 803-2330.*

ARMORIES IN NY CITY

NOTE: ARMORIES as LEVEL 2 Qualified Production Facilities: An armory owned by the state or city of New York located in the City of New York, is considered a **Level 1 Qualified Production Facility**, and may be used by any Level 1 production to meet the Level 1 Facility Threshold requirements.

OUTSIDE the city of New York, where there is no distinction between Level 1 and Level 2 facilities, an armory is considered a QPF and any production, whether it is a Level 1 or Level 2 production, may use an armory in the state but outside the city to meet the Facility Threshold requirements.

WITHIN NY CITY ONLY, however, a state or city armory may NOT be considered a Level 2 QPF suitable for meeting Level 2 Facility Threshold requirements EXCEPT upon certification by the Governor's Office for Motion Picture and Television Development of a petition submitted to the office by a qualified film production company establishing that no qualified Level 2 film production facility in the city of New York has stage space available that is appropriate for shooting such company's film.

For more information on how to petition for Level 2 certification of an armory, see the **NY State Film Production Credit: Instructions for Initial Application** (page 4) or call (212) 803-2330.
